Our Waterfront Park is located at the bottom of Main Street on the Cathance River. We will be using both sections of the park, on either side of Route 24 (green bridge). Parking areas are available on both sides. We will be running on the "South" side of route 24 in the newly constructed park area and up into the woods of Cathance Meadow. Teams will meet near the small yellow building. If you choose to park on the south side (new area), you likely will not be able to leave until the end of the event. If you plan on leaving early, you should park in the "North" parking area at Maily Waterfront Park (where the boat launch is). There is additional parking further up, across the street from the Bowdoinham Country Store. While there is parking is closer to the start and finish of the course, it will be tight. Try to park at Maily Park or the Country Store if you want to be able to leave easily.
